VOILE D'OR  
A HOUSE OF EXCELLENCE

MAISON VILLEROY  
PARIS

## A true *Parisian* mansion

Maison Villeroy is a secret gem, the kind that we shape and polish with passion every single day. It is a home that welcomes its guests and members with kindness and sincerity. With 11 apartments, suites and rooms, each guest has the delicious feeling of making this breathtaking place their own – accompanied by an attentive team of butlers.

In the intimate restaurant "Trente-trois", chef Sebastien Sanjou – twice awarded by a Michelin-star – offers a colorful cuisine in a stunning dining room. An entire floor is dedicated to wellness: gymnasium, massage rooms, jacuzzi, hammam...

All in the magical setting of a private mansion built at the beginning of the 20th century and which has been renovated by the greatest craftsmen to give it back its yesteryear glory, admirably blending heritage with modernity.
